

Early voting June 13<sup>th</sup>-21<sup>st</sup>

Election Day Tues. June 23<sup>rd</sup>

*Sumana's personal endorsements for the Democratic primary  
(research & full reasoning at my site, harihareswara.net):*

State comptroller: I like **Raj Goyle** better than **Drew Warshaw**, and both of them better than incumbent Tom DiNapoli.

US House of Representatives, District 6: I like **Chuck Park** better than incumbent Grace Meng.

34th Assembly District, Part A, District Leader: **Andreas Migias**, **Shawna Morlock**, and **Carolina Maria Korth** all seem fine!

34th Assembly District, State Committee Member: **Carolina Maria Korth** and **John G. Scott**, not **Monserrate ally** Luis P. Montalvo.

35th Assembly District, State Committee: **William A. Espinal** and **Trenise Jessica Fuller**, not **Monserrate ally** Lidia V. Alvarado.

35th Assembly District, Part A, District Leader: **David Aiken** and **Larinda C. Hooks**, not **Hiram Monserrate and his ally** Sonya Harvey.

35th Assembly District, Part B, District Leader: **Jose M. Morillo** and **Michelle Dunston**, not **Monserrate ally** James B. Fogle.

39th Assembly District, State Committee: **Kevin I. Jusino** and **Yanna M. Henriquez**, not **Monserrate allies** Alberto Ossa and Gabriela Perez.

State Assembly, District 30: I mildly, cautiously prefer **Shamsul Haque** over Somnath Ghimire and Patrick Martinez. Haque was a **Monserrate ally** but is now deeply engaged with DRUM, and has DRUM Beats's endorsement.

State Assembly, District 34: **Brian Romero**, not **Monserrate ally** Rosa Sanchez.

State Assembly, District 39: **Catalina Cruz**, not **Monserrate ally** Yonel E. Letellier Sosa.

State Senate, District 13: I see both incumbent **Jessica Ramos** and challenger **Jessica González-Rojas** as strong legislators who have each made serious errors. **Events mid-June are making me rethink my recommendation.** Scan the QR code to go to my site. Most importantly, please vote for Ramos or González-Rojas rather than leaving it blank. Keep **Hiram Monserrate** out! Don't elect a fraudster who assaulted his girlfriend!

### **Judges:**

Queens County, Judge of the Civil Court (select up to 2): **Edmond Wong** and **Edward Irizarry**. Sadly, Irizarry, John J. Ciafone, & Julie M. Milner are all **allies of Monserrate**, but Irizarry seems least so, and is approved by NYC Bar. Ciafone & Milner also have other troubling stances.
